

CHATTERBOX™

Title

Top (Left) Proposition

Left Participant Chat

This is your conversation with the left participant.

Left Participant Position

This is where the person in your left conversation sits on the continuum.

Bottom (Right) Proposition

The screenshot shows the CHATTERBOX interface for a session titled 'AWE0004' (In Progress - Round 1 of 1). The main display is a continuum between two propositions: 'It's ok to feed scraps to seagulls, provided it is safe to do so.' (top) and 'Humans should not interfere with the gulls.' (bottom). A central vertical line has a red circle labeled 'My Position' and two grey circles labeled 'left' and 'right'. On the left side, there is a chat window for 'Left - participant2' with a green bubble: 'I think seagulls have benefited from humans feeding them. I love to feed them by hand while hanging out at the beach.' and a blue bubble: 'I think it's OK for people to feed them, but we need to take care what we give them.' On the right side, there is a chat window for 'Right - participant4' with a blue bubble: 'My only concern is that the gulls could become dependent on humans if we feed them.' At the bottom, there is a timer showing 00:04:33:49 (DAYS: HOURS: MINUTES: SECONDS) and a button to view background information.

Opening Statement

Select this button to update your opening statement.

Duration

This is the time remaining in the current round.

Log Out

Your conversations and continuum position will resume on your next login.

Right Participant Chat

This is your conversation with the right participant.

My Position

At any time, drag the circle up or down the continuum to indicate your position in relation to the two propositions.

Right Participant Position

This is where the person in your right conversation sits on the continuum.
